A Solution to Admiralty Law; Communism and; Corporate Usury

Admiralty Law, Communism and Corporate Usury violate the Law of the Land – The Constitution. The Honorable Bill of Rights delegates to the government that, The People are Secure, have Private Property and Religion.

- (1) **Problem:** (Central, private, foreign, corporate) Banks have usurped the government; a coup d'état by monetary policy (c.1913). In layman's terms: A money-printing bank fraudulently owns and controls the fiat currency and; has indoctrinated The People, through a long-term system of fear, falsehoods, poverty and bribery, attempting to ignore and supercede the Honorable Bill of Rights.
- (2) **Result:** All systems of the united States of America (E.g., legal, media / communications, social, financial, transportation, medical, technologic, infrastructure, consumption, educational, residential, industrial, commercial, etc.) are 'essentially absolutely' controlled by central, private, foreign, corporate banks whereby The People are coerced into using a debt instrument (FRN) to pay off debt (impossible).
- (3) **Solution X: HJR-192 (1933; already exists)**
 - a. The People shall pay (to anyone) with any 'promissory note' – E.g. bond, money order, check, financing instrument, debt instrument, paper with the following information written on it (as a substitute for Federal Reserve Notes):
 - i. Payer: Name, address, exemption number (SSN);
 - ii. Pay to: (payee);
 - iii. Amount \$#, ###.## number format;
 - iv. Amount written out in American English;
 - v. Date;
 - vi. Payer Signature / Seal;
 - vii. "Without Prejudice; Without Recourse";
 - viii. On back of note: Payer Signature / Seal; "Without Prejudice; Without Recourse".
 - b. The Payee sends the Note to the Internal Revenue Service (IRS) as to receive credit in Federal Reserve Notes.
 - i. For this, the IRS must be a government 'service'; not a corporation.
- (4) **Commentary:** *HOUSE JOINT RESOLUTION-192 states: "... to require payment in gold or a particular kind of coin or currency... is declared to be against Public Policy..." and; "Every obligation... shall be discharged... dollar for dollar..."*
 - a. Essentially, the Federal Reserve runs a private monopoly and its collector corporation, the IRS, is against Public Policy.
- (5) **Commentary II:** *Sound Money, not fiat currency, would cure most problems. The "Fall of Man" and "Original Sin" is the debt system whereby destruction is value.*

Currency or legal tender is a 'medium of exchange' 'for value', 'approved in a country for the payment of debts'.

Proof-of-Claim: That, the United States is a government or country and not a foreign corporation?

Proof-of-Claim: That, legal remedies are not approved by the United States?

Proof-of-Claim: That, the Federal Reserve Note is currency or legal tender?

American Rights Taken Involvtarily

“Amendment V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, **nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.**”

“Amendment I

Congress shall make no law respecting an establishment of religion, **or prohibiting the free exercise thereof**; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, **and to petition the government for a redress of grievances.**”

The Preamble to the Constitution

We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquillity, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.

From the Declaration of Independence

We hold these truths to be self evident, that all men are created equal, that they are endowed by their Creator with certain inalienable rights, that among these are life, liberty and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed.

The 14th; 16th; and 17th Amendments of the Constitution were falsely ratified and are NULL & VOID.
